School of Electrical and Computer Engineering
Purdue University

August 2020

Name: Tillmann Christoph Kubis

Education:

Diploma	Nov. 2003	Physics Department, Technical Univ. Munich
PhD	Nov. 2009	Physics Department, Technical Univ. Munich

Professional and Honorary Society Memberships:

American Chemical Society	Member	2017 – present
American Physical Society	Regular member	2017 – present
Sigma Xi	Full member	2016 – present
Institute of Electrical and Electronics Engineering (IEEE)		
	Senior Member	2014 - present
German Physical Society (DPG)	Regular member	2004 – present

Honors and Awards:

[10] Named one of the Most Impactful Faculty Inventors of FY 2019, College of Engineering, Purdue University, 2019

[9] Seed for Success Award of Purdue University, 2019

[8] Advisory board membership of the IWCN in acknowledgment of short-notice and successful coorganization of the international conference at Purdue University, 2015

[7] Intel award for contributions to the NEMO5 simulation software tool, 2013

[6] Co-author of two best student presentations (honorable mention) 15th International Workshop on Computational Electronics, 2012

[5] Co-author of the best student poster IEEE Nanotechnology Materials and Devices Conference (NMDC), 2011

[4] Doctoral degree in Physics “passed with distinction”. 2009

[3] Students’ award of teaching excellence (best exercise group, “Golden chalk”), Physics Department, Technische Universität München, Germany, 2008

[2] Students' award of teaching excellence (best exercise group, "Golden chalk"), Physics Department, Technische Universität München, Germany, 2005

[1] Diploma exams in Physics "passed with distinction", 2003

Professional Experience

2003 - 2009	Research Assistant: Physics Department, Technische Universität München, Germany
2010 - 2011	Post-Doctoral researcher: School of Electrical and Computer Engineering - Purdue University, IN, US
2011 – present	Research Assistant Professor: Network for Computational Nanotechnology - Purdue University, IN, US
2016 – present	School of Electrical and Computer Engineering – Purdue University, IN, US
2017 – present	Center for Predictive Materials and Devices – Purdue University, IN, US
2019 – present	Purdue Institute of Inflammation, Immunology and Infectious Disease, Purdue University, IN, US

Professional Society Activities

Organization:	International Workshop of Computational Electronics
Activity:	Workshop Co-Organizer, September 2015
